History

Bryanston was initially developed as a suburb in the late 1960s. It was named after a small village in the UK. The developers wanted to create a suburban area that offered a mix of residential, commercial and recreational spaces. True to form, Brynston has experienced significant residential growth with many high-end properties and estates being developed over the years. It is known for its large and luxurious homes, often situated on spacious and leafy properties.

Bryanston has also become a well-established commercial hub, attracting various businesses and corporations. It is home to numerous office parks, shopping centres and professional services. The area has seen the development of several business districts, contributing to its growth and economic significance.
